家

6A 劉詠勳

母愛如花，
芳香四溢，
花無言，
卻馨香於心。

父愛如茶，
默默無聞，
茶雖苦，
卻回味甘甜。

家如唯一的城堡，
裏面種滿了鮮花，
裏面瀰漫着茶香，
裏面充滿着愛。

本詩獲得「中華基督教會基元中學40週年校慶·中文童詩創作比賽」冠軍。

我得到了縮小藥水

4E 陳怡璇

當我拿到縮小藥水後，我在腦海裏想到了一個有趣的想法。首先，我先去了我的好朋友靜香的家。我找到靜香後，便跟她說：「不好意思！你家裏有那種給娃娃住的房子玩具嗎？」說完後，她用疑惑的眼神來看我，但還是二話不說地借給我了。

回家後，我便喝下了藥水。縮小之後的世界非常不同，就連玩具看起來也非常大。然後，我看見了我向靜香借的玩具，我異常興奮，因為那個玩具看起來實在太大了，我眼前一亮，便迫不及待地跑進去。體驗完之後，我便還給靜香了。

下午，我看見胖虎在打棒球，如果我直接路過的話，他會叫我一打，不打的的話，他就會打我，但是我還要幫媽媽買東西，所以我不可以直接走過去。這時，我便想起了縮小藥水，我快速地喝下藥水，雖然沒有被胖虎發現，但是變小了以後，走路速度也變慢了，所以我花了九牛二虎之力才幫媽媽買了東西。

最後，是時候要把縮小藥水還給叮嚀了，但是我十分不情願，便跟叮嚀說：「不如我們玩捉迷藏吧！你輸了，就把藥水送給我，好嗎？」他答應後，我便喝下了藥水，但他還是找到了我，我只好不情願地把藥水還給了他。

親近中華文化

6A 蔣葉涵

中華文化源遠流長，豐富多彩。其中，春節是我感興趣的中華文化。

每年和家人一起過春節，就是最溫馨不過的事情了。年三十，爺爺揮毫潑墨，親自寫對聯；奶奶在廚房裏忙前忙後，準備着豐盛的團年飯。晚上，大家圍在一起吃熱騰騰的團年飯。魚象徵着年年有餘，年糕象徵着步步高升，餃子像徵着招財進寶。孩子們嬉笑打鬧，大人們聊天喝酒，家人團團圓圓坐在一起是最幸福的事。

年初一，爆竹聲中萬物復蘇，春風送暖，大家早早起床，迎接新年的第一縷陽光。人們換新衣，互相拜年，憧憬美好未來，舉國上下齊歡慶。新的一年，大人們準備開啟新的工作征程，孩子們繼續攀登知識的高峯，大家一起為美好的未來而努力。

春節是我們祖國最引以為豪的文化瑰寶之一。

聽見心底的聲音

5A 黃海淇

走着走着，我發現似乎迷路了。

「這小孩好似迷路了呢……」

「活該，我在樹上吃水果時已經看到了，他們聽父母的話，當然迷路啦。」

「待我去跟他說……」

我四周看了看，根本沒有人呀！一隻小松鼠走到我眼前，「你好，我叫維奇，請問你迷路了嗎？」

我對於這個場景感到新奇極了，有着心底如同海水那麼多的疑惑，我點了點頭，回答道：「你好！我確實迷路了，請問你能為我帶路嗎？」這時樹叢裏發出「沙沙——」的聲音。伴隨着這聲音的，還有一陣陣動阻聲……

「別去！」

「別忘了小溪姐姐是怎樣因為人類而死的！」

「別去！」

「別忘了大地哥哥是怎麼因為人類而死的！」

見眼前的小松鼠，似乎有點不想給我帶路，我很焦急，痛恨自己身為一名路痴，為什麼還要爸爸媽媽去唯一一個乾淨的湖釣魚的時候跑來這裏玩，我不斷地游說小松鼠，希望小松鼠給我帶路，那把聲音則不斷地在那在勸小松鼠別聽我說話。

這時，小松鼠有動靜了，他說：「你願意聽我講一個故事嗎？」不等我回應，他繼續說：「很久很久以前，有一群無憂無慮的小松鼠，他們居住在茂密的大森林裏，多快樂啊！直到有一天，一群人來了，他們把乾淨的水污染，將樹木砍伐，使松鼠都差點兒被滅絕，只剩下五隻小松鼠。」毫無疑問，主角是維奇與他的家人，我剛想安慰他，背後卻傳來一陣聲音——

「海琪，你在哪裏？」我轉身，是媽媽，我馬上飛撲過去，媽媽把我抱在懷裏，我剛想和媽媽說五隻小松鼠的事，一轉眼，小松鼠竟然不見了……也許這只是一個離奇的夢吧！

Chinese Rescue Teams in the Turkish Earthquake

5A Ng Chung Bun

As the Chinese saying goes, "To save a life is better than building a seven-story pagoda." Our country, China, is a good example of giving a helping hand to Turkey who is facing difficulties at this moment. This news has been reported around the world.

Lots of people were trapped under the rubble which fell down because of the large tremor. There was a 6.4 magnitude earthquake which started at 4:17 a.m. on 6th of February, 2023. More than 44,000 citizens in Turkey were killed.

In order to save lives in Turkey, without hesitation China arranged to offer over \$40 million yuan to Turkey. Therefore, the local government could spend the money to buy food, clothes and medicine for all the people who have become homeless after the earthquake disaster.

In the meantime, China sent a rescue team together with the Hong Kong team to Turkey. They searched indefatigably even though some of them got hurt in the freezing temperatures. Eventually a woman who had been trapped for more than 80 hours and another 20 people were saved.

On YouTube, I saw the crying local residents thankful for all of the support provided by China and all the rescue teams. When I grow up, I hope I can learn from China, our country, to make each day count by joining the rescue team and helping more people have more joyful lives.

As we all know that every day may not be all good, but there is something good in every day. People helping others in need beyond nationality, geography or language might be like a blessing from Heaven for the people in need. Although I am still too young to join the rescue team, I can now help the people around me who are elderly, disabled or anyone who needs help. I will offer my seat to them and open the doors for them whenever I can. Therefore, do not hesitate to give a helping hand to anyone in need.

P1 and P2 Readers' Theatre Competition

This year as part of Reading Week we held a Reader's Theatre Competition for P1 and P2 students. It was very exciting. The students learned about the authors Eric Carle (P1) and Joy Cowley (P2). We read some books for each author in the classroom. Then as a class the students wrote their own creative chants based on the books. On the competition day there were lots of interesting props and gestures during their performances. They all did a great job.

Princess Molly and the Ogre

Class 4A Lau Hiu Fai, Tiffany

One day, Princess Molly was caught by an ogre. She had been locked in a tower for a few months. The ogre wanted to get married to her because he liked fat ladies like Molly. In the tower, Molly often ate a lot of fast food and never did exercise.

One day, Molly decided to change her bad habits because she was fat and unhealthy. She decided to eat more healthy food and do more exercise. Slowly overtime, Molly got thinner and thinner. A few months later, Molly tried to escape. She went through the window bars and used the rope to sneak out of the tower when the ogre was asleep. She went down slowly since she was scared that the ogre would wake up.

After Molly went down the tower, she quickly ran into the deep forest to escape so that she could be free. Not long after she ran to the forest, the ogre chased after her. After running for a long time, Molly saw her castle in the distance so she ran faster and faster. Soon, Molly reached the castle and reunited with her family. When the ogre saw that Molly had reached home, he ran away. However, the king stopped him and said, 'I am going to banish you to the tower where you trapped my daughter so that you can feel how she felt.' Everybody lived happily ever after but the ogre was mad because he could not escape.
